Dear Friends:

Greetings from Zenon Ministries! March Madness is a term used for all the basketball competitions and it holds true for ministry too! March ended as we held our 1st Annual Golf Tournament at Cheval Golf and Country Club. Over 60 attended our event with this team winning first place: Chuck Peterson, Michael McDonald, Scott Wiggins and Scott Avriett. Their score was a low "58"!

I would like to thank our sponsors: Robert A. Walter Properties Inc., Tampa Bay Steel, Reeves Import Motorcars Inc., Roger Richards, Jeff & Cindy Smith, South Florida Catering, Sportstime Productions, Eagle Insurance Agency Inc., Coney Benefits Group, Wood Busters, Chick-fil-A, WTBN-Christian Talk Radio, Cheval G.C.C. plus many individual team sponsors.

Our volunteers were; Janice, Carol, Kathleen, Judy, Roger and Sue handled registration and all the setup details.

Joel Morales, a sophomore student athlete at Sickles HS shared his story of ministry with the golfers at our dinner. Nicknamed "Priest" by his fellow students Joel has been a great witness at Sickles. Every Tuesday and Thursday, during lunch, in the courtyard of the school, Joel teaches, prays, and leads fellow students to Jesus Christ. I have spent the past two years watching Joel grow in his faith. He has attended school football chapels, visited camps with me, and received training from many other Christians in our community. He is passionate about his faith in the Lord, and a great example of a young man seeking to be a leader, and training others to be disciples for the Lord.

This ZM display has been travelling with me to various venues to share the story of what Zenon Ministries is all about! Remember, Zee is available to speak at your church, youth group, athletic banquet or outreach event.

Ministry Hi-Lites: This month, March, was fulfilling and busy; meetings with 11 coaches, speaking at 9 chapels and 2 school outreach events, with over 550 students attending. I held 7 meetings with new supporters, and six Legacy Clubs are meeting regularly with new Clubs starting up in April and May, to disciple and train our next generation youth in leadership & character.

Above: Spending time coaching the throwers at Gaither HS. It has been a blessing for me, but spending a few minutes addressing the whole track team with a lesson from the character studies of Legacy Club has been the most rewarding.
