Dear Friends:

Greetings from Zenon Ministries!

June is the month we wait for all year long to travel, visit with our families, and spend time with friends. Have you checked the schedules of our young people recently? They are the most traveled generation ever with mission trips planned to the far corners of the earth. We thank God that many of our students have a desire to travel and serve our Lord on the mission trips.

**Zee with Tampa Buc QB Jeff Garcia**

At a recent event at Raymond James Stadium, starting QB Jeff Garcia shared some of his thoughts about the upcoming season. At many events throughout the Tampa Bay area, pro athletes attend and offer their participation to help enhance the event. That is why it is critical to meet and serve them through our ministry. As a former pro athlete, I remember clearly how Christian ministries helped in my development over the years. Now I am able to offer them the same service.

**Tampa Bay Storm players interviewed**

Tampa Bay Storm players Tom Kalieta, Traco Rachel, Brett Dietz, and Lawrence Samuels took time to share their testimonies for a national Christian television show that will be broadcast world-wide over Christian networks.

**Jacqueline Haynes with K.L. Muldrow**

Blake HS principal presents Zee with a Blake Community Partners Award at a recent meeting honoring 21 groups that have helped Blake students.

**Staley McNatt and student George Preito**

Above, the two heroes of the faith, Wharton HS sponsor and student president, are pictured at the end of their last meeting. George led the past two meetings with a message teaching more than 150 students!

Sponsor Cyndi Smith watches as senior Aaron Overton, shares his thoughts at their last meeting of the year. At these final meetings awards were presented, and those graduating had some time to encourage their teammates for the upcoming year. The leadership team was announced and plans are already being made for the fall school year. Legacy Clubs like these are slated for 15 schools in the Tampa Bay area.
