Dear Friends:

Greetings from Zenon Ministries!
February for ZM has been exhilarating as we are progressing at full speed. Let me start by sharing a letter from the President of the Principal's Council for Hillsborough County, Florida.

Dear "Z",

On behalf of the members of the Western Conference, I would like to sincerely thank you for taking the time to meet with us at our January 2008 meeting. Your long and continued efforts to support our schools and athletes through your past work with FCA and now with your Legacy Clubs have proven to be important and valuable resource to all that have benefited from your profound interest in the youth of our community. You and the organizations you have represented have provided exceptional leadership and character building opportunities for over twenty years. I salute you for your long standing, noble efforts and contributions.

I would like to express the Western Conference's gratitude for the thoughtful and generous donation of 20 Nike track shoes to our member schools.(over 200 shoes donated)

I can assure you; this gift will be greatly appreciated by the benefactors of your donation. I look forward to our continued affiliation, and I wish you and your organization all the best and success at your future endeavors.

Best regards,

Louis R. Diaz, Principal

These Tampa HS coaches have formed Legacy Clubs and leadership training has begun. We are working with student leaders and teaching them the skills to lead their schools in their faith. Our first lessons are on discipline. The Bible states "you must discipline yourself for the purpose of Godliness" 1 Tim. 4:7

These are the throwers at Gaither HS that I help coach and chaplain the track team. With my past experience as a javelin, discus and shot putter I find this an extremely rewarding use of my time. And an extra benefit is getting in shape!

Hi-Lites to Share with you:

This month was stimulating and busy; meetings with 15 coaches, speaking at 8 chapels and 3 school outreach events, with over 750 attending, started our Legacy Club meetings with 5 meetings and 11 visits with supporters. We are planning to begin new Legacy Clubs, in March, models of discipling and training our next generation youth in leadership and character.

This is the Berean Academy basketball team. I was asked to provide chapel services for them during the season.
