Dear Friends:

Greetings from Zenon Ministries! As we entered August, school was about to begin across the country. Our goal for this new school year was to aim for the mountain tops. A literal example of this was our Wharton HS sponsor, Staley McNatt. This summer, she and her husband, Henry, traveled to Tanzania to climb the highest mountain in Africa, Mount Kilimanjaro.

We are thrilled to have teachers like Staley guiding our students into a better relationship with our Lord Jesus Christ.

Our Legacy Clubs have begun. Gaither HS met through the summer, and hosted a Legacy table at open house to introduce parents and new students to the on-campus ministry.

Gaither HS leaders prepare for Open House.

The next morning the students gathered for a "Jericho Walk" around the school. Students and teachers walked around the school praying for students, teachers, administrators and workers.

The next meeting, on the agenda, was a time of training for all our student leaders and sponsors. They continue to demonstrate their dedication and commitment to further the Gospel on their campuses. We have had excellent response to the Legacy Club membership on all the campuses.

Students pray for the new school year.

Since Legacy Clubs are a new entity on campus, much needed to be done. A Constitution has been written, training materials prepared, a new logo and T-shirts designed, and meetings are set.

Zee and Board President Steve Overton hold up the new Legacy Club logo.

Thanks & Encouragement:

Thank you, Zee! Can't wait to see the Lord express himself through those investing in this generation. Blessings!

Jose- Director CA2Y Ministry

Zee, Just know that I sincerely appreciate everything you have done to make this ministry a success. We are excited because we have a new coach that is a Christian. Praying that they will turn the team and school around and with friends like you they can't miss.

Hope all is going well with you and Zenon Ministries.. Think often of you and praying for you. All the best to you and Sue. Please let me know if you have any other ideas for speakers for our team. Again, thanks for all you do to minister to young people.

Carolyn.

Sam Glenn, the Authority on Attitude

About 15 years ago, I met Sam Glenn and his brother, Ben, at a Christian youth event. Since then, I have invited Sam to take part in many events in Tampa, the biggest being the Billy Graham Crusade in 1998. Sam has continued his success and has written 17 books, and recently started a magazine called "Attitude Digest". His most recent book is "A Kick in the Attitude." I was invited to travel to Chicago to speak at the Grand Kick-off to this publication, and was given a personal tour of the city.

Sam's response to me;

Zee, Thank you so much for attending and helping out the way you did. Everyone had the nicest things to say about you. We are also working on getting you some pictures. Sorry I didn't know what half the places were called in the city, you can tell I am on the road a lot. Here is a special link, I thought you would like to send out, - like I said, its coded, so we can track it. Any sale we get, we will donate \$20 to your ministry.

This goes out tonight, but if you have pastor friends or people you think might benefit from this, please

forward it along. **Sam**
