Dear ZM Friends:

We are now in the final stretch of school where students and parents are making decisions for their future. Which schools to attend next fall and how will we spend the summer, take precedence. As for Zenon Ministries, we begin our search for next years Legacy leaders, and prepare sponsors for the new clubs in the fall. In the Bible, the Apostle Paul spoke of and looked forward to "things to come". He also looked back to the Christian life he lived and said, "I have fought the good fight, I have finished the race, I have kept the faith." What a LEGACY!

Youth Pastors from five different churches attend our legacy club meeting at Gaither HS.

We are blessed when our local youth pastors attend our meetings. We encourage them to participate and meet their students who have chosen to make their campus their mission field. However, this mission trip requires no vaccinations, no mission barrels filled with supplies, has no language barriers or cultural lessons. No food problems and relationships have already been established. It has been ordained by God to go into this field and sow the seeds of the "good news."

We encourage youth pastors to tell their students to join their school Legacy Club. We are looking for mature Christian students that have a calling on their life to be in leadership in their school. It is a high calling and we are prepared to teach and mentor them in the skills needed to lead others to faith in Jesus Christ.

This unique leadership program, *Leaders by Heart*, assists communities in pursuit of excellence and harmony at home and at work through training in relational health. This unique and entertaining approach to leadership addresses key issues through the use of the training methods used on taming a wild horse. I have begun using these training methods in our character lessons with our students and coaches with great success. Check out www.sermononthemount.org

Students at Gaither HS Legacy Club prepare to give out over 500 "Salvation Bracelets" to the Special Olympics competitors held at Gaither HS. Each participant also received a gospel message from our students.

Buchanan Middle School students in the AVID Program received a visit from Zee as he shared his life story and Character Lessons with 3 classes. An opportunity exists here to reproduce this program at all our middle schools.

Dear Zenon,

Thank you for your presentation today, March 20, 2009, at Buchanan Middle School. The AVID Students enjoyed your presentation, and talked about you the rest of the day. They learned about your journey through life, and the rocks along the road that have brought you to where you are.

Your presentation was valuable and you related and interacted well with both grades seventh and eighth. My students felt comfortable, appreciated, and special by your stories and questions today. I believe your experience and advice will help them in their lives. They were able to relate to your stories and the valuable lessons within them. I appreciate the time and effort you took today, my students enjoyed seeing all of your football jerseys and college rings. I like how you incorporated the power of education, success, and citizenship throughout. Overall the experience was amazing and we would love to have you visit again here at Buchanan MS. Good luck with the Zenon Ministries and the Legacy program at Gaither HS. It was nice to have met you and to have heard your story thank you again for your time today. Sincerely, Challen Mangione, AVID Co-ordinator and teacher
