Dear ZM Friends:

Missions are important to the Lord as He commanded us to take the gospel to every part of our globe. This is called "the Great Commission." It can be forming a new church, teaching disciples, sharing the gospel, and serving in social needs. Stepping outside of their comfort zone we are able to relate with and understand people who have different beliefs. We encourage our students to take part in this activity as we know God will use them in a mighty way. Some of our students on missions have been listed below.

We have been meeting and training our student leaders for the upcoming fall opening of school. We continue to grow, adding five new schools this fall.

Another opportunity is working with athletic teams sharing God's Word and training in Character.

All of this takes preparation, organization, and prayer. We treasure your prayers and your financial support. God bless you and lets make 2009-2010 a year that glorifies the Lord!

Gaither HS student Brandon Proctor served 6 weeks in Burkina Faso, West Africa in extreme village evangelism. Brandon serves on the Gaither HS Legacy Leadership team and is a member of Idlewild Baptist Church.

The first leadership meeting for Wiregrass Ranch HS in Wesley Chapel, FL. These students will lead a group of over 200 students this coming fall.

Our Wharton HS Legacy Club sponsor Staley McNatt and her husband, Henry, hit the mountains again. Last summer they traveled to Tanzania and climbed Mt. Kilimanjaro. This year they traveled to Peru and climbed Machu Picchu, "The Lost City of the Incas".

Letter of Encouragement: Zee,

I hope that your summer went well, We have had a great summer. We took our youth on a mission trip to Honduras, and many of our kids really enjoyed it. I am also excited about the upcoming year; I received an email about the leader meetings for Legacy at Wiregrass Ranch, but was not able to attend due to the mission trip. I have spoken with Staley about the upcoming year and I am very excited about joining together for Legacy Meetings. Please feel free to call me and let me know what I can do to help with anything. Ricky Hughes, Youth Pastor Bridgeway Church, New Tampa.

Teaching "The Truth Project"

Focus on the Family created an amazing video presentation of The Worldview vs. The Biblical View. The Truth Project is a DVD-based small group curriculum composed of 12 one-hour lessons taught by Dr. Del Tackett. This home study is the starting point for looking at life from a Biblical perspective. Each lesson discusses in great detail the relevance and importance of living the Christian worldview in daily life. We have led 7 Bible studies in the past six months that are making a big difference. We believe this one project represents the possibility for exponential change within the body of Christ, as we expect that thousands will be transformed by this curriculum. Check out their website for more information.
