Dear ZM Friends:

We just completed our EASTER Celebrations. It was a blessing to be with so many Christians at church, homes and schools to focus on the death and resurrection of our Lord Jesus Christ. During this time I was able to send out a series of "Brown Bag Bible Devotions" called on "The Road to the Cross." to our e-mail list of 2000 subscribers. Many responded with appreciation for the teachings. It was another blessing! Our Legacy Clubs took on some wonderful community service projects. All this was part of the great month leading to the remembrance of our Lord Jesus Christ.

Wharton HS ends its last outreach meeting with over 200 attending a program of worship music, testimonies and speeches.

Legacy leader and star athlete Sean Obinwa just recorded a top ten mark in America for the 800 meter run. Sean has been faithful and consistent in his life and leadership at Wharton HS.

All school custodians were treated to dinner hosted and provided by Wharton Legacy Club.

Students at Gaither HS Legacy Club pray with school administrators after serving them their annual pancake breakfast.

Gaither Legacy Club leaders get ready to cook breakfast. Each student provided part of the meal and with help of sponsor Cindy Smith it was completed.

Letters of Encouragement:

Zee, Would you be interested in speaking to my 8th period sophomore English class? These students are bottom quartile, low motivation. They desperately need a kick in the pants. I am currently using a behavior management program to motivate them to care about their grades, life, anything. If you could do some kind of leadership; be a "giver not a taker" speech, etc. They meet at 2:00 daily, I'll take you M-F, any day you can make it. Thanks. Carla, HS English Teacher

Hey Zee, Just wanting to check in with you and see if sometime in the future we could get together. We have a small group of kids that have just heard the gospel and are interested in spiritual things. Would love to get some help or ideas on getting things started. bro in Christ, Gabe-Chamberlain HS

Z, That sure must have been an encouragement for you - you do reach the youth in what you do. Keep up the great work. Cliff T.

Zee, Thanks for inviting me to the school meeting. It was amazing! So much more than I envisioned. I am here to help you. D.C. Business Owner

Hi Zee,

I hope this email finds you in great health and full of blessings. I want to bring to your attention that I have been detained from doing Prayer meetings here at our HS, even Prayer meetings with the faculty. I am heartbroken and have to find a way to get around that. Is it possible to incorporate Prayer meetings into the Legacy Club? I would love to meet with you and T. to see how we can get the power of prayer working here at school. Please let me know when would be convenient for you. Thanks so much in advance for your support. God Bless you and all you do, J.G.

USF Athletes in Action Director Asif Shaikh with wide receiver Carlton Mitchell shared at Gaither HS outreach meeting. Clarence graduated from Gaither a couple of years ago and returned to share his faith in Christ.
