

Greetings ZM Friends,
Greetings and blessings from our staff!
We just completed our second year of ministry through Zenon Ministries. Every month I tabulate the numbers impacted by our ministry. It is humbling to see how God has used Sue and me and our volunteers to reach individuals in our community. This is our mission field, the public and private school system. I wish you could follow me for a day and sense the apathy and depression that so controls our world. But then, out come our Legacy leaders and hope and peace overpowers the darkness. Yes, our Christian students and sponsors are making a great difference, one person at a time! God's blessings for your support!
